"In buying our first home, Annette made the experience enjoyable and virtually stress free. She is very thorough and caring in her work. We are looking forward to the experience again with her. We would recommend her highly to anyone buying or selling a home!!"

~Kenneth and Marcia Hatfield

"Annette was absolutely dependable. The telephone rang at the agreed time, on time, every time. I was very impressed by this type of professional behavior. ...During my career, we lived in six states, bought and sold six houses, then bought two in Monroe County through Annette! ...Would I go back to Annette? Sure would."
